

If you enjoy stability, problem-solving, data management, and continually learning new things, Tax may be the perfect route for you!

IDEAL MAJORS

Taxation, Accounting, or Finance

It is also encouraged to be thinking about the CPA exam and having enough eligible credits upon your graduation date.

We have over 540 Tax professionals in the United States.

Some of the key industries we're involved in are:

Technology

Cannabis

Real Estate

Entertainment

Nonprofit

Digital Assets

Healthcare

And more!

Depending on the office location, you will have the opportunity to work amongst our different tax practice groups, including Corporate, Privately Held Business, Private Client Advisor, Real Estate, and National Office Group. Each practice will provide you exposure to various types of tax compliance and planning.

A large, semi-circular graphic with a white background and an orange border. Inside the circle, there is a photograph of a person's hands working at a desk. The person is wearing a dark suit jacket and a watch. They are holding a pen and looking at a laptop screen that displays a "CONTACT US" form. There are also some papers and a calculator on the desk. The word "Tax" is written in a large, white, serif font across the center of the graphic.

Tax
